

# « *A look to Palestine* debate-film series: reflections on education and films »

**A video meeting with México  
In World Education Forum Context (WEF-Palestine)**

**Friday 29th October 4pm National Institute for Educational Training**

The Activity will be a live audio and video internet connection with México City in the context of World Education Forum in Palestine (WEF Palestine). It will be a dialogue with people in México that was involucrated in a Debate-film series project about Palestina that was held in 6 different places pending 3 months. Both transmission responsables and spectators want to interchange their experiences and reflect about the educational and political possibility in films.

Activity will take place in Room for Expanded Activities, National Institute for Educational Training, The Hashemia School, Al Bireh. Free Entrance. Incriptions: [wefpalestina-mexico-discussion@list.openfsm.net](mailto:wefpalestina-mexico-discussion@list.openfsm.net)

If you can not move to Ramallah and participate, you can still attend it and participate live on internet from anywhere, make contact in skype with [wef-mexico-usuario](mailto:wef-mexico-usuario) and on 29<sup>th</sup> 6pm Palestine time, click on <http://www.ustream.tv/channel/wef-palestina-mexico>

This activity is part of a group of 25+ “Extended Activities” in WEF Palestine (that allow people and groups to participate from out of Palestine), See the schedule day by day <http://openfsm.net/projects/wef-in-palestine-process/expanded-activities-time-table-in-palestine>
