

« Palestina Ya: Meeting experience »

A video-meeting with a mexican Palestinian Solidarity Collective
In World Education Forum Context

Friday October 29th 6pm National Institute for Educational Training

The Activity will be a live audio and video internet connection with México City in the context of World Education Forum in Palestine (WEF Palestine). Mexican participants and Palestinian participants will talk around 2 hours about the experience of solidarity movements, particularly this mexican collective Palestina Ya, created from attack to Freedom Flotilla. And will reflect about the potential of rapprochement and awareness that this solidarity movements make possible.

Activity will take place in Room for Expanded Activities, National Institute for Educational Training, The Hashemia School, Al Bireh. Free Entrance. Incriptions: wefpalestina-mexico-discussion@list.opensfm.net

If you can not move to Ramallah and participate, you can still attend it and participate live on internet from anywhere, make contact in skype with [wef-mexico-usuario](https://www.skype.com/join/wef-mexico-usuario) and on 29th 6pm Palestine time, click on <http://www.ustream.tv/channel/wef-palestina-mexico>

This activity is part of a group of 25+ “Extended Activities” in WEF Palestine (that allow people and groups to participate from out of Palestine), See the schedule day by day <http://opensfm.net/projects/wef-in-palestine-process/expanded-activities-time-table-in-palestine>
